

TRI-WARRIORS TRIATHLON CLUB

2nd Annual Tri-Warriors Youth Triathlon

WOW! The 1st Annual Tri Warriors Youth Triathlon in Pembroke was a huge success. With 100 participants and approximately 75 volunteers this was the largest of its kind and the first ever in Robeson County. As a result, we were able to donate \$4,000 back to local charities and organizations in the community. The primary purpose of this triathlon is to promote physical fitness among the local youth in our county, while at the same time it will introduce our youth to the sport of triathlon, which is one of the fastest growing sports in the US. This sport also teaches discipline and helps build self-esteem, which are qualities our youth need in order to succeed in today's world.

The triathlon is open to both boys and girls between the ages of 6-15, with a participant cutoff limit at 300. Awards will be given to the top 3 boys and girls in all age groups.

The triathlon which is on **Saturday, August 27, 2011** will take place on and around the UNCP campus with the event distances and ages as follows:

Ages 6-8 & 9-10

Swim: 50 meters

Bike: 3 miles

Run: 1 mile

Ages 11-13 & 14-15

Swim: 100 meter

Bike: 6 miles

Run: 2 miles

However, for this event to occur, we will need your financial assistance. The cost of holding such an event is extremely high. For this reason, such events are seldom held in rural areas. Most triathlons are held in large urban areas where corporate sponsors are more prevalent. That is why it is very important for our success to have your participation in this event.

Please consider supporting this huge endeavor the Tri Warriors Triathlon Club has undertaken. Your financial support will go a long way in shaping the lives of our youth.

This year's beneficiary is Helping Hands for Progress Inc. Helping Hands is a 501 (c) 3 not for profit company that addresses the physical needs and provides activities for local youth that come from low income housing in the Pembroke Area. The funds raised will be used to assist local youth who may need school supplies, winter coat or shoes, registration fees to participate in sports programs or to go on field trips with their classmates. In other words, these kids will receive the same benefits that most kids take for granted. Your consideration of one of the Sponsorship Levels would be greatly appreciated.

Thanks

Tri-ing for a better Spirit

On behalf of the Tri Warriors, THANK YOU for your consideration in becoming a 2011 Tri Warriors Youth Triathlon sponsor. As you can imagine, we would not be able to put on an event this large without the support from our sponsors. The money we raise through our sponsorships goes toward the working budget for the event that includes everything from the brochures and t-shirts to awards and swim caps. In an effort to make sure our sponsors are properly recognized, we hope to have your commitment by May 13th. Sponsors can commit after that date, but we can not guarantee that your name will be listed on the event's brochure. The more money we raise in sponsorships and entries the more money we can give back to the community. This year's beneficiary is Helping Hands for Progress, Inc. If you have any questions about the level of sponsorships, please do not hesitate to ask a member of the Tri Warriors or feel free to contact Bryan Maynor at bryanmaynor@lumbeeguarantybank.com or call at 910-734-9475.
